# Classroom Rules and Etiquette while using Zoom

- This is our virtual classroom. Appropriate classroom behavior is expected.
- Log into your meeting from a distraction free, quiet environment.
- Please keep your audio on mute until you want to speak. This will help to limit background noise.
- If you would like to speak or answer a question, use the “Raise Hand” feature. Then unmute yourself after you are called on.
- If you would like to use the chat box, remember that it is public and a record of the chat is kept and archived.
- Have paper and a pen or pencil handy to take notes.
- Make sure your video is on so we can see your happy face.

## Logging into your class for the first time – Clicking on the meeting link

- Each teacher has a unique link for their classroom.
